HOW TO SEND TICKETS VIA THE EDGBASTON APP

This is a step-by-step guide on how to send tickets via the Edgbaston app.

1 Open the ticket you would like to send to your guest via the Tickets section of the Edgbaston app.

2 Once you are on the ticket you would like to send, scroll down and click on **Send your ticket(s)**.

3 Select the **Ticket recipient** box, enter the email address of your guest in the search bar and click **Add email address**.

PLEASE NOTE: When the ticket recipient registers an account in the app, they will have to use the same email address their ticket was sent too.

4 Click **Send**. Your tickets are now on the way. Your guest will receive an email with instructions of how to download their transferred ticket.

HOW TO RECALL TICKETS VIA THE EDGBASTON APP

This is a step-by-step guide on how to recall tickets that have been transferred via the Edgbaston app.

1 Navigate to the Tickets tab, select **Pending** under **Transfers**

2 Click to open the pending ticket(s). Scroll to the bottom of the **Tickets you sent** screen and click the button **Cancel ticket sending**.

3 Confirm your action by selecting **Yes** on the pop-up message box.

4 The ticket transfer will now be cancelled and your ticket(s) will appear back in the Tickets section under **Upcoming fixtures**.
